President's Message

I'm writing this President's Message a couple of weeks before the National Meet. I get all "fired up" this time of the year and can hardly wait — kind of like a kid. Oh, I forgot, I am one. Not much to write about this month, but I'll bend your ears in the next issue. Hopefully by the time you read this, I will have seen most of you in Plano. It's sure to be a great time!

Have fun,
Jim Hatcher

Rare Falcon to be on display

The Carolinas Chapter is proud to announce that an original Ford Falcon Challenger, one of only three built, will be on display at the Carolinas Chapter Regional Falcon Meet to be held at the Holiday Inn Woodlawn, Charlotte, NC, on September 22 and 23, 1995.

This will be a one time chance to see a very rare Falcon prototype that's never before been displayed to the public since its recent restoration. Rare vintage film footage of these special Falcons will also be shown.

Don't let this rare opportunity pass you by. Make your plans now to attend!

Chapter News

The ***Sooner Chapter*** held its June meeting at Fred Combs Heating and Air in Seminole, OK. Fifteen members were present and seven cars were driven. They cruised to Western Sizzler for lunch, and after the meeting followed Glen Armstrong to his Mustang ranch for a tour of his workshop and service station replica.

It was a beautiful spring day when the ***Erie Canal Chapter*** held its first international meeting at Joe and Charmaine Tatti's home in Burlington, Ontario, Canada. The chapter now has ten Canadian members.

Several ***Carolinas Chapter*** members and their Falcons attended the Town & Country car show, enough to fill the front line of the covered area. At the Locust car show to benefit a youngster with cerebral palsy, the chapter was honored to claim the award for Best Club Participation. Discussions relating to their upcoming Fall Regional Meet to be held Sept. 22 and 23 are continuing. Committee obligations have been delegated and members will be contacted regarding different areas that still need help.

The newly formed ***Great Lakes Chapter***, representing Michigan, Indiana and Ohio Falcon car lovers, is growing by leaps and bounds. After the first meeting in March and the second at the Jonesville, Michigan, RiverFest Show and Shine in May, they have a total of 25 members. Check the Calender of Events for the dates of the next club meetings or contact Bev Engle, president, at 517/849-7156 for more details.

At a recent meeting of the ***Heart of Texas Chapter***, members decided on a T-shirt design and plans were made to get the order to the printer. The chapter has been approached regarding putting on a car show in Burleson later in the year, but more details and discussions will follow at later meetings. It was decided the chapter would attend the Yellow Rose show as a club.

The ***Suncoast Chapter*** held their recent meeting at the home of Joe and Wanda Stowe in Lakeland. During the meeting members reviewed and voted on the fifth regional committee's recommendations. Following a buffet, recognition of Steve Springer's birthday was given with a rousing off-key rendition of "Happy Birthday." Then it was down to "Old Town," the Saturday night cruise held in Kissimmee. There were eight Falcons in a crowd of 310 classics.

The ***Keystone Chapter*** held their first picnic at Knobles Grove in Elysburg, PA, in June. It rained in the morning, but by afternoon the skies cleared and everyone headed for the park and the rides, which were awesome. All attending brought food, so much of the time was spent eating, relaxing and talking. Kevin Gable and family from New Jersey were the only members to bring out their 1963 Falcon convertible in the pouring rain. Most of all, everyone had a good time.

(Chapter News continued)

In May a large group (50 some) of ***Mile Hi Chapter*** members met for breakfast in Golden and then caravanned up to Boulder to tour the National Center for Atmospheric Research and the Celestial Seasonings Tea plant. The weather was very rainy, but the members turned out with their Falcons, and in an enthusiastic frame of mind in spite of it! Then in June they held their annual caravan down to the Air Force Academy for Sunday brunch at the NCO Club. Later they held a fun-filled Skill Driving Challenge in the AFA Field House parking lot. Trophies and dash plaques were given out and everyone had a great time.

The ***Northwest Chapter*** extends its sincerest Thank You to Jerry Dringberg for all he did as chapter president. His leadership will be missed.

In June the ***Blue Ridge Chapter*** was joined by the ***Carolinas Chapter*** for a cruise to Helen, GA, for a day of fun, fellowship, and making friends with fellow Falcon enthusiasts. There was a nice caravan of 10 Falcons (and one Thunderbird while restoration continues on another Falcon), and they got many thumbs-up, rubber-neckers, waves and smiles along the way. One member of the Southeast Chapter met the group in Helen. After lunching together, everyone split up to roam the quaint Bavarian theme town, and then regrouped for the return trip (they thought!). A wrong turn headed them toward the Tennessee hills, but they once again regrouped to get back on track. They pulled in at a cruise-in in Anderson, SC, to display their cars for a while. Everyone finally got home, dead tired but relaxed, after making many new friends, sharing Falcon tales, and making memories. More get-togethers are being planned, and the Blue Ridge Chapter will be out in force to support the Carolinas Chapter's efforts in putting on its first regional meet in September.

Falcons from the Blue Ridge and Carolinas chapters on their recent cruise.

FCA Attends Carlisle's 1st All Ford National Show

On June 9, 10 and 11, 1995, the first All Ford National Show was held in Carlisle, Pennsylvania. The Falcon Club of America was represented with 47 Falcons from many different regional chapters.

The show began on Friday, with judging on Saturday and awards presented on Sunday.

What a pleasure it was to walk through the hundreds of vendors and not once see a single "bowtie."

There was a race between the Falcon Club of America and the Thunderbird Club to see which club had the most cars in attendance. Unfortunately the Thunderbird Club took first place, edging out the FCA by only a few cars. We received a beautiful trophy for second and \$100.00 for club participation.

Miscellaneous

CarBuff Stories — We all have a few to tell, and who doesn't enjoy reading them! Finally, a bi-monthly publication devoted exclusively to publishing your "car stories." Car clubs provide the restoration and statistical advice; the national car magazines, well, they show us plenty of original to modified cars in awesome color; but for all of us who really enjoy reading about that "First Car," "The One That Got Away," "Ole Junkyard Stories," "My First Drag Race" and maybe "My Honeymoon in a '55 Chevy" (and we could go on but you get the idea!), we'd like to hear your story. Don't forget to include a photo if available. You don't have to be a great writer, we can edit if we need to — just send it in and we'll do the rest. Subscription is \$25.00 per year USA; \$30.00 for Canada. CarBuff Stories, P.O. Box 187, Independence, KY 41051.

Tech Tip

When cleaning the white knobs for the doors, windows, radio, etc., we found, out of frustration, a miracle cleaner — Efferdent. It came to the rescue and cleaned away years of buildup in a matter of minutes. Now our 1963 Falcon convertible has snowy white knobs.
